Just Like You

A guide to etiquette and communicating with people with a disability (DVD and booklet)

Suitable for disability awareness training in any organisation.

This DVD allows people with a range of disabilities to speak for themselves about how everyone can learn to communicate better with them. Manners are not something that comes naturally, we all have to learn them.

Project developed by [Fran Haarsma Productions](#) and funded under the Workplace English Language and Literacy (WELL) Program by the Australian Government Department of Education, Employment and Workplace Relations.

" A very practical and contextually meaningful look at communication strategies. Well worth a look!"

A/Manager,
Disability Services Unit, Dept of Justice, Western Australia.
