

## Production and Distribution of Training DVDs

### Safe Food

#### Safe food handling for home care workers

It is vitally important for the health of their clients that home support workers in home and community care know how to handle food safely. This DVD clearly explains in plain English the steps to follow and the reasons why.

Project developed by [Fran Haarsma Productions](#) and funded under the Workplace English Language and Literacy (WELL) Program by the Australian Government Department of Education, Employment and Workplace Relations.
