What is 5S?

Applying 5S in a Manufacturing Workplace

This DVD clearly explains to workers what 5S is, how to apply it in their workplaces and what the benefits are to them, their business and the Australian manufacturing industry.

Whether the workplace is large or small, 5S is a simple system to follow. The benefits of applying 5S include improved safety and productivity and greater worker involvement and pride in their workplace and work.

The accompanying CD contains printable learners' worksheets which can be customised, as well as trainers' notes on how to use the resource.

The CD entitled **Trainers' Resource Kit** contains:

- Overview to Resource
 - information on how to use the DVD and worksheets
 - tips on language and literacy support and resources

- Learners' Worksheets
 - DVD script
 - plain English definitions of key words used in the DVD and support material
 - brief questions which reinforce the key issues raised in the DVD

- Trainers' Guide and Appendices
 - In addition to the material in the Learners' Version Worksheets, these contain:
 - important notes for the trainer
 - answers to the learners' questions
 - suggested learner activities
 - additional 5S checklists and worksheets.

"I have spent many hours searching on the internet for a comprehensive 5S training DVD and this DVD and training material surpasses anything I have previously seen".

Jim Laming, Finance and Logistics Manager, MTM Pty Ltd

"This excellent DVD captures the essence of 5S by showcasing Australian manufacturing at its best. We highly recommend this production as an essential companion to inform and/or remind the workforce why 5S is one of the essential building blocks to operational excellence - Don't be without it!"

Archie Cowan, Founding Director, Insights to Excellence

www.i2e.org.au

"We have shown the What is 5S DVD to every employee and are using it as part of our induction process for new employees. It is probably the best specific training tool I have come across in my nearly 30 years of manufacturing experience".

Matt Wagenfeld, Operations Manager, PWB Anchor

"The 5S DVD was done very well and fit exactly the need we had."
