

Estimating and Tendering for Building Projects

This DVD will assist builders, estimators, trade contractors and managers in small to medium sized domestic building businesses with some of the numeracy and communication skills they need in estimating and tendering.

The accompanying CD contains a Trainers' Resource Kit with support materials covering:

- key work words
- relevant numeracy concepts, calculations, measurements and formulas
- guidelines for doing a take-off
- communication skills
- preparing a tender including sample templates for cover letters.

DVD Duration 32 min 21 sec
